

# What's included:

## 🌟 **Guidance on how to write your book**

✨ We provide guidance on how to create a book outline and how to intuitively write within the structured outline you've created.

## 🌟 **Editing**

✨ Once your manuscript is complete, you simply email it to our editing team and they take it from there. They will correct any grammar and punctuation errors and also send you some suggestions for possible improvements for consistency and clarity.

## 🌟 **Formatting**

✨ Allow us to handle all formatting of both the Kindle and paperback editions of the book.

## 🌟 **Cover design**

✨ We take pride in hiring the best designers for absolutely gorgeous covers.

## 🌟 **Publish on Amazon**

✨ Our team takes care of the details on Amazon and we coordinate a release date so you can be prepared to share it with your audience.

## 🌟 **Marketing team**

✨ Our marketing team provides clear instructions on how we create an international launch and promotion.

## 🌟 **Bonus training on how to get the most out of your book**

✨ You have access to bonus training on how to make the most of your book before and after it's released.
